

## Healthcare Technology News

### Introducing the Newest Addition to the *A-Link* Family:

#### *A-Link* Card Processing **LIMITED TIME – FREE OFFER VALUED AT \$549**

With the *A-Link* Card Processing (CP) solution and Payment Processing Incorporated (PPI) Card Processing Services, you can offer patients convenient payment methods. By entering credit card information directly into *A-Link* CP, you will get easy & efficient one-step payment processing. And while others offer piecemeal services, only *A-Link* CP gives you one resource for quick, easy, affordable card processing services designed specifically for healthcare practices.

- ✓ **Stop working extra hours** to manually enter payment information into two separate payment systems.
- ✓ **Reduce errors** from manual entries of credit card information.
- ✓ **Curtail costly chargebacks** and fraud incidents.
- ✓ **Get a daily set of financial reports** to reconcile payments with your bank.

#### **Superior Integrated Payment**

**Technology:** Our next-generation solution streamlines your internal processes by integrating *without* user intervention to your Lytec system and quickly pays for itself by eliminating errors from duplicate entry! *A-Link* CP experts configure your system so you're up and running quickly & smoothly.

**Unwavering Technical Support:** You'll never again be 'bounced' between vendors because nobody knows what's going on. Just call PPI's free, unlimited 24/7/365 'Answer-the-Phone' help desk for all your payment software and transaction issues.

#### **Better-than-Bank Merchant Services:**

An integrated payment solution requires technology expertise that a typical bank just can't offer.

With PPI you receive all the support you need—including affordable

merchant services—without having to change bank accounts.

Offer includes MSR Card Scanner, Payment Reconciliation Integration to Lytec and service/support for your system with hands-on testing, configuration and installation support.

#### **Tired of Claims Getting Lost?**

*A-Link* Electronic Data Interchange (EDI) will automatically transfer patient demographic, insurance, billing, and claim information from your Lytec to the EDI Receiver or Clearinghouse. *A-Link* EDI is an All-Payer solution which allows you to pick which claims to send directly to the insurance carrier (if available in your area), or to your choice of clearinghouse. With a step by step user interface, *A-Link* EDI offers providers end-to-end, claim-level views into the claim filing process.

*A-Link* EDI and Availity for Florida, Texas, New Mexico, Washington, Idaho and Illinois have partnered to bring you unsurpassed connectivity. **Submit all Governmental claims through Availity for NO CHARGE! NO MODEMS, NO FUSS!** Call 888-e-claim-1 for more info!

#### **Need to Upgrade but Don't Want to Spend Your Money Now?**

Since 1988, Ryan Capital Leasing Corporation has provided equipment lease financing to thousands of businesses, helping them secure income producing equipment and technology to successfully compete in today's medical marketplace. We know the importance of preserving cash flow during peak and slower seasons. Flexible financing options are available to accommodate your needs.

- ✓ **6 x \$99 Deferral Plan:** With only \$198 down you can start using the new solution now with six low payments at \$99 to follow before full payments begin.
- ✓ **90 Day Deferral:** This is a true 120 day delay with three small contact payments at \$25.00. You can start utilizing the system now with no real payments due until next year.
- ✓ **Seasonal Program:** Choose three months where payments may be skipped to accommodate slower periods.

Leasing offers potential tax benefits depending on how the lease is structured. The True Lease Structure allows 100% of the monthly payment to be deducted over the term. The Finance Lease Structure may be deducted more rapidly under Section 179.
